## Ales & Beers Menu

### Ticketybrew Range (Brewed Locally in Stockport)

#### **Pale Ale** 5.5% ... **£3.50**

Our 'Pale' is darker than your average, but we've included a fair bit of caramelised malt to add sweet flavours to complement the bitterness. American bittering hops provide an initial hit and a long finish that makes you smack your lips and go for another sip (or gulp, depending on the day you've had!). The aroma hops are also a classic American variety with a distinctive citrus character. It's all rounded off with a subtle spice in the mix. Most re-freshing!

#### **Blonde** 5.6% ... **£3.50**

Our summery 'Blonde' is full of subtle flavour. The scene is set with light floral and gentle peach aromas. Then an underlying ginger spice, which is a result of the tasty yeast we use. The easy-going bitterness keeps your palate refreshed and ready for the next sip and there's nice hint of sweetness relaxing in the background. A perfect summer beer, no matter what the weather is doing!

#### **Jasmine Green Tea** 4.0% ... **£3.50**

Our special yeast provides a lovely sweetness while hop bitterness is complimented by fresh lemon rind.
